A friend of mine frantically called me the other evening regarding bus service to Los Angeles. It seems the bug struck his car pool and he was left high and dry. After telling him where he could catch a bus the next morning, I reminded him of a remark he made to me some time ago. He had said "nobody uses the buses any more." Being the nice guy he is, he quickly admitted some people use buses. The point I am making is, the bus will be there in spite of the bug, the weather, or any other major catastrophe.

I am told the best time to visit Europe is during the off season. The accommodations are not so crowded and prices are much lower. Now before you turn the page thinking Old Artie has flipped his wig, and is suggesting a bus to Europe, read on. There are dozens of interesting places to see and enjoy right here under our noses, and this is off season for most of them. The big RTD 21 Guide Yourself Tour folder is just the thing for some easy winter fun. Send for one today.

The current issue of the exciting and provocative book called "Pacific Telephone Northeast Area White Pages Telephone Directory" has a very beautiful and interesting picture on the cover. It is the Queen Anne Cottage at the Los Angeles State and County Arboretum in Arcadia. This beautiful old house, complete with carriage house, furnishings, brick-a-brac, etc., placed in a setting of lush gardens and lakes is a journey into the past you'll long remember. RTD operates two lines near the Arboretum, the 108 line running between Monrovia and Pasadena, with access to Temple City and Rosemead, and the 68 line from Los Angeles to Glendora. Send for timetables today!

THOUGHT FOR TODAY
Man is the only animal that can be skinned more than once.

Q. What time would I need to get a bus in El Segundo to reach downtown Los Angeles by 8:30 a.m.? My destination is near Wilshire and Union. Mr. P.R.

A. You will need to change buses at Seventh and Olive, so I would suggest you catch the 6:58 from El Segundo; it will get you to your transfer point at 8:03, leaving enough time to ride out to Union.

Q. We live in Redondo Beach near a bus line that runs on Torrance Boulevard. Will that bus get me to South Bay Shopping Center and also Inglewood? Mrs. B.R.

A. You are referring to the RTD 101 line that will take you to the shopping center. You can't go direct to Inglewood on it, but you can catch the 5 line at South Bay going to Inglewood.

Q. We want to move to the Lawndale-Torrance Area. What bus transportation is available in that area?

A. Generally speaking, bus service is fair in that area. You have five RTD lines, about four Torrance lines and one Greyhound local. I've sent you the RTD timetables and for the rest of them you can phone the other offices.

Q. Can you give me any information on the bus lines from Rolling Hills to Los Angeles. Can I have a schedule or idea when it runs?

A. The line you are inquiring about is the RTD 125 line from Silver Spur and Hawthorne to Los Angeles. This is a commuter line to Los Angeles through Redondo Beach. I've sent you a timetable for your convenience.

WHY TRUST TO LUCK? Take U.S.D.A. Choice—Tenderay Brand Beef

Don't be suckered by gobbledygook. "Bonded" Beef isn't U.S.D.A. Choice. "Trim-Rite" Beef isn't U.S.D.A. Choice. Only U.S.D.A. Choice is U.S.D.A. Choice! And a Federal Government expert says so with a purple stamp right on the meat. Market Basket sells only U.S.D.A. Choice Beef. And only Market Basket sells it discount-priced!
